Dan Ferris is the editor of the 12% Letter & Extreme Value, both published by Stansberry & Associates Investment Research.

Dan joined Stansberry & Associates in 2000 and became editor of Extreme Value in 2002. His strategy of finding safe, cheap, and profitable stocks has earned him a loyal following as well as one of the most impressive track records in the industry.

Longtime Extreme Value readers have enjoyed a long list of double and triple-digit winners thanks to Dan's diligent research, including Gateway (124%), Blair Corp (111%), KHD Humboldt Wedag (249%), International Royalty (248%), Portfolio Recovery Associates (104%), Alexander & Baldwin (201%), and Encana (171%), among many others. Dan's track record is the reason why Extreme Value counts over 20 major financial firms and well-known fund managers as subscribers.

As a result of his work in Extreme Value and The 12% Letter, Dan has been featured several times in Barron's, the Value Investing Letter, and numerous financial radio programs around the country.

Dan's largest and most important contribution to subscribers of the 12% Letter income advisory was the introduction of World Dominating Dividend Growers (WDDGs), the safest income-compounding strategy in the stock market.
