Dr. David Eifrig Jr. is the editor of Retirement Millionaire as well as Retirement Trader.

Before joining Stansberry & Associates in 2008, Dr. Eifrig worked in arbitrage and trading groups with major Wall Street investment banks, including Goldman Sachs, Chase Manhattan, and Yamaichi in Japan.

In 1995, Dr. Eifrig retired from Wall Street, went to UNC-Chapel Hill medical school, and became an ophthalmologist. Now, in his latest "retirement," he joined S&A full-time to share his experiences, ideas and retirement secrets with readers full-time.

Dr. David Eifrig Jr., MD, MBA, is the perfect editor for a unique advisory letter such as Retirement Millionaire. "Doc" shares not only long-term financial advice but offers unique ways to increase your quality of life. He has shown Retirement Millionaire subscribers secrets such as how to collect "rent" from your investments, how to help prevent cancer with two foods and many more.

Subscriber Mike McMillan from Chicago said, "I started following Retirement Trader just about a year ago. I have had 40+ straight winners, and NO losers."
